

**WRITTEN DISCLOSURE OF INTENT TO OBTAIN CONSUMER  
REPORT/INVESTIGATIVE CONSUMER REPORT**

This document is being provided to notify you that Sharonview Federal Credit Union (SFCU) may obtain consumer reports and/or investigative consumer reports in considering your Volunteer application and, if you are elected/accepted/appointed by SFCU, for any future volunteer-related purpose during your term with SFCU. The term “consumer report” means any information provided by one or more consumer reporting agencies that bears on your creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living which is used or expected to be used for the purpose of establishing eligibility to serve SFCU. The information gathered may include a criminal history, employment history, educational history, and professional license or credential(s), or any other type of verification that is relevant for these purposes.

The consumer report may also include an “investigative consumer report,” which includes information such as that described above, and which is obtained through personal interviews with former employers, acquaintances, co-workers, or others with whom you may be acquainted. If an investigative consumer report is requested, you will receive a separate notice that will include information on how to exercise your right to obtain additional information. Please be aware that any acceptance, election, or appointment as a Sharonview volunteer will be contingent upon a successful background check based on the information in the consumer report and/or investigative consumer report.

**VOLUNTEER AUTHORIZATION FOR THE PROCUREMENT OF CONSUMER AND  
INVESTIGATIVE CONSUMER REPORTS  
FOR VOLUNTEER PURPOSES**

By signing below, I authorize SFCU and one or more consumer reporting agencies, acting on behalf of SFCU, in connection with my volunteer activities and for the duration of my volunteer activities with SFCU, to investigate my employment history, personal history, criminal history, educational history, and financial and other records by, among other things, procuring a consumer report, including an investigative consumer report, regarding my application for a volunteer position at SFCU. I acknowledge that SFCU has provided a copy of this document to me, and I have read this document before signing it.
